## edding 80 LAQUE baby boom

- Nail polish in edding quality - this nude rosé shade reveals its full impact when applied to nails, a woman's best friend, both in the office and after work
- Thanks to the innovative edding Permanent Resist® technology, these polishes add colour to nails that's ultra-resistant to scratching and chipping
- The highly pigmented formulation offers maximum colour density and opacity
- The innovative polymer technology and the high concentration of edding L.A.Q.U.E. special resin combine to create a nail polish with increased durability and flexibility
- The special colour pigments of this high-gloss formulation ensure a high level of shine, even days after application
- Thanks to the broad reservoir brush, nails can be polished quickly and with ease. Just one stroke of the brush is all it takes to achieve an even layer of quick-drying polish in intense colors
- For the perfect manicure we recommend to use our base coat to protect the nails and the quick-drying sealing for additional gloss and even longer enjoyment
- All polishes are kind to nails, vegan and produced without harmful ingredients such as triphenyl phosphate, formaldehyde and formaldehyde resin, toluene, hydroxytoluene, dibutyl phthalate and camphor (plasticizer)
